

Project Management Professional Refresher Bootcamp (One Day)

Delivered by Brian

Introduction

Project Management expertise is in great demand today across all sectors of business and government. This is a one day *how to pass the PMP exam*.

Who Should Attend?

Those seeking to pass the PMP exam and have already completed the application with PMI. Also, those who have not applied for the exam but have acquired the required experience and 35 training hours.

Delivery Methods

This Project Management course is led by a highly experienced project manager and trainer and is a workshop-based approach including class presentations, cheat sheets, multiply Q&A and a full four-hour mock exam

Course Content

- A rapid review of each relevant chapter of the Polk guide 6th edition
- Questions answers and rationales for each chapter
- Full four-hour exam in the afternoon

Other

- The course is delivered based on the Project Management Institutes (PMI) best practice approach. PMI is the largest professional project management association in the world
- On completion of the bootcamp delegates are strongly advised to take their exam as early as possible
